

Tobacco Free

Effective January 01, 2008

Summit Healthcare supports your efforts and will reimburse you for up to \$100.00 (lifetime maximum) you spend on products to assist you in becoming tobacco free.

These include:

- ◆ Acupuncture
- ◆ Nicotine Patch
- ◆ Nicotine gum
- ◆ Prescription for Welbutrin or Chantix
- ◆ Hypnotherapy
- ◆ Involvement in a tobacco cessation program

In addition employees can visit our employee health department to be evaluated by a physician for prescriptions for the pharmaceutical products. These products are on the list of prescriptions that our insurance plan covers.
